

May 10th- 16th

**Spelling Words:**

Practice your spelling words.

**Math:**

Please practice your Gumball Math sheet 7. 1st graders: We have been learning about two digit addition and addition rules such as If 9 or less, let it rest, if 10 or more go next door. This week we learned subtraction rules such as “more on top, no need to stop”, “numbers the same, zeros the game”, and “More on the floor, go next door and get 10 more” . Please practice these two digit facts

1.  $97$   
   $+76$

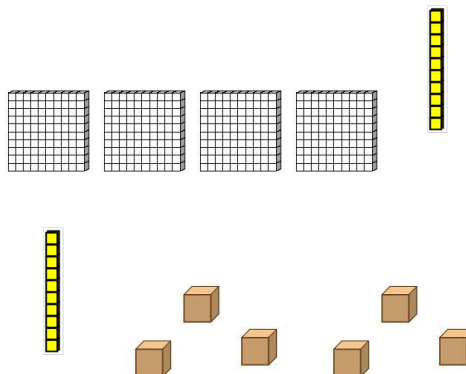

2.  $42$   
   $-19$

3.  $47$   
   $+17$

4.  $29$   
   $-19$

5.  $67$   
   $-36$

Second graders: We learned about place value this week. Please represent these number using their place value, then represent them using base 10 blocks. Ex: 426 4 Hundreds, 2 tens, 6 ones

1. 416
2. 516
3. 119

**Writing:**

This is the last homework week of the school year. Using everything we learned this year about writing, punctuation, capitals, complete sentences etc, write me a story on what your favourite part of this year was, your favourite activity, your least favourite activity, close friends you made this year and your wishes for next year.

**Reading**

Please read at least 20 minutes each day.
