

## Genius Hour Tips For a Great Presentation!

### Great Presentation:

Speak loudly.

Face the audience.

Stay on task. Only talk about your project.

Teach what you learned.

Don't wiggle.

Listen to the audience feedback.

Have a beginning, middle and end:

#### Beginning:

- Hello, my name is \_\_\_\_\_. This is my presentation for my Genius Hour animal.
- Hello, my name is \_\_\_\_\_. I've researched \_\_\_\_\_ for Genius Hour.
- Hi, I'm \_\_\_\_\_. Today I'm going to teach you about my Genius Hour animal, \_\_\_\_\_.

#### Middle:

(Share all the facts that you learned about your animal. Food, lifespan, height, weight, predators, what they look like, etc. Show your diorama and explain the habitat.) Speak in short, simple sentences.

#### End:

## Genius Hour Tips For a Great Presentation!

- Thank you for listening to my presentation.
- That is the end of my presentation. Any questions or comments?
